The Ministry of Primary and Secondary Education will be carrying out a registration exercise for prospective teachers who will possibly fill to in vacancies for the 2020 financial year. As such all prospective Teachers should:

1. register **only once** with their nearest District Education Offices from **12 November 2019 to 20 November 2019**;
2. register **only with one District Education Office** and indicate only two provinces of their preference;
3. produce the following documents when registering:
  - a) original teacher qualification certificates;
  - b) original birth certificate; and
  - c) original identity document.
4. For the infant education module, applicants should provide proof of proficiency in the local languages (especially for formerly marginalised indigenous languages) spoken in the district of their preference. Our drop down menu for this should thus indicate districts of preferences (two).

## **PROSPECTIVE TEACHERS ALREADY REGISTERED**

- ◆ should go and check with their respective District Education Offices:
  - a) whether their names are still on the database with all the correct details;

- b) and effect any changes or additions with regards to any of the following information; name, contact details, qualifications, area(s) of specialisation and district preferences.

**The Ministry warns prospective teachers and stakeholders that it does not employ third parties or agents to carry out the registration exercise and that the exercise will only be done at District Education Offices.**
