PAPER 2

SPECIMEN PAPER 2 hours

Additional materials:
Answer paper

TIME: 2 hours

INSTRUCTIONS TO CANDIDATES

Write your name, centre number and candidate number in the spaces provided on the answer paper/answer booklet.

The paper constitutes **two** Sections **A** and **B**. Section **A** is compulsory and in Section **B**, the candidate chooses **three** questions out of **five**.

Section **A** carries **40** marks.

Section **B** carries **60** marks.

Write your answers for Section **B** on separate answer paper provided.

If you use more than one sheet of paper, fasten the sheets together.

Brief answers only are required.

INFORMATION FOR CANDIDATES

The questions in this paper carry equal marks. The number of marks is given in brackets [] at the end of each part question.

You should spend at least five minutes reading through the data for each question before you begin writing your answers.

This question paper consists of 7 printed pages and 1 blank page.
